

# VENUS Range

Designed by the SAILONET design office, it is made by our SAILONET sailmaking partners, following our technical specifications.

This range is particularly suited to long cruises, charter and long distances. This sail is a "Must".

The sails in the VENUS range are made of Mylar sailcloth laminated with double-backed Taffeta. The radial cut makes the possibility to use different sailcloths and weights to optimize performance.

The headsails of the VENUS range are equipped as standard with bronze snap shackles easily operated with one hand.

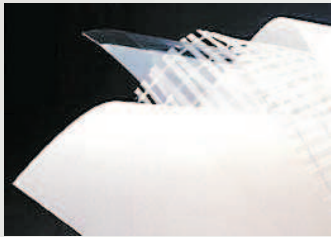

The full inventory (Stainless steel rings, leech and foot line, draft stripes, tell tails) optimizes and makes your genoa easier to use.

All sails are sold in their bag, ready to sail.

Guarantee 2 years.

## VENUS

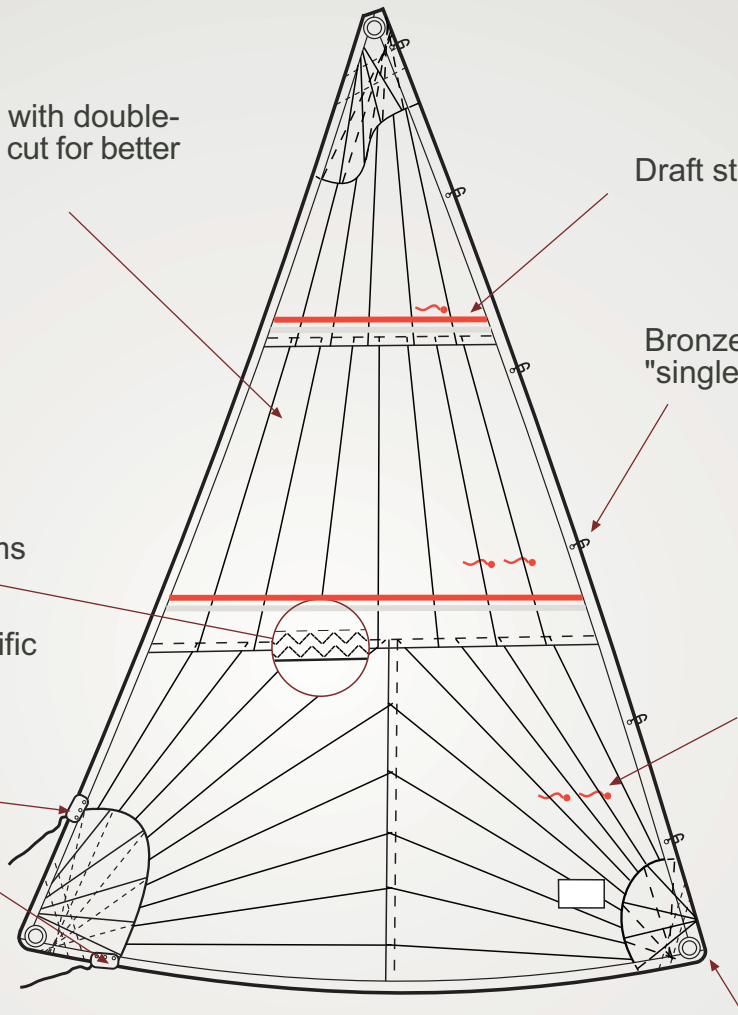

Mylar sailcloth laminated with double-backed Taffeta with radial cut for better shape control.
